

COMMUNITY ENGAGEMENT AND TREASURER

Make an impact!

SUSTAINABLE

***Enthusiast about people,
partnerships and finance***

Do you not only enjoy building and maintaining relationships with student/study associations, but also like the challenge of making sure we have enough cash by finding ways to finance SBB?

Do you like to meet up with many boards (e.g. MASQC, Leiden United, ISN, Green Office, Center for Sustainability, Leiden University, CVB etc) and make them enthusiastic about SBB? Are you hands on, a great communicator and strong in convincing others? As Community Engagement and Treasurer, you are in charge of building a strong network for SBB with all the relevant stakeholders in the region. Beside this you are also responsible for all the in and outgoing money. This includes finding funding for the project, making a realistic budget planning and keeping oversight of the spending of the board. For this role a very good command of spoken and written Dutch and English is required.

Your responsibilities include:

- Setting up a budget plan
- Think about ways to increase our budget or decrease our costs
- Requesting funds
- Acquisition of & negotiations with companies (together with B & A)
- Maintain and growing our network with relevant parties (student and study organizations in Leiden, Den Haag and Delft, university boards)
- Organisation of events (in collaboration with other portfolios)

10 hours/week
